

St. Christopher's Preschool

A Loving Place to Learn

Registration 2022-2023

Dear Prospective Parent:

Thank you for your interest in our preschool. The 2022-2023 school year will be an exciting one for us as we continue a tradition of serving families in our community for the 61st school year. It is a privilege to be considered to join with you in taking part in your child's early development and beginning education. It is truly a joy to witness their growth over the course of time. It would be an honor to have him/her join us for the next school year.

"A Loving Place to Learn" is not just a motto, but also our firm belief that a loving and nurturing environment is foundational for all growth and learning. We will continue to offer children's chapel for spiritual development, art and music for creative expression, and science and nature for vocabulary and concept enrichment. Language development is emphasized in the classroom as well as in our student library, further promoting our dedication to the development of literacy areas—speaking, listening, and storytelling. Developmentally appropriate methods are used to teach math, writing, and the alphabet along with many other skills that will prepare our four-year-olds for kindergarten. Phonics is incorporated in all of our four-year-old classes with more emphasis in our five-day four-year-old class.

Please read the enclosed information and feel free to call or email me with any questions!

The following checklist shows the necessary paperwork and fees for registration:

Due at Time of Registration:

- Student application
- Registration Fee of \$80

Due by May 3rd:

- Tuition Deposit - one month (May 2023 tuition) Non-refundable after August 1st 2022.
